

MOODY Homogenisers

GEA Homogenisation Authorised UK Dealer & Service Provider

Moody Direct have been supplying new and refurbished homogenisers for over 45 years. GEA homogenisers are suitable for:

- Dairy
- Food & Beverage
- Biotechnology
- Pharmaceutical
- Cosmetic
- Chemical

GEA provides leading technology with the widest range of machines, available in three homogeniser series for any needed performance and application:

- Ariete Series
- One Series
- Laboratory & Pilot Plant Homogenisers

We stock and supply a wide range of spare parts and components for homogenisers. Service agreements, ad hoc maintenance and a 24/7 emergency call out service is also available.
